info@mathrecovery.org • mathrecovery.org

The US Math Recovery Council® is pleased to announce the 2018 Leadership Series. The Leadership Series includes professional development opportunities with a blend of face-to-face professional development and online support sessions that guide and inform participants as they develop, refine, and extend knowledge of Math Recovery® content and pedagogy.

Courses in the Leadership Series support and lead sustainable Math Recovery® initiatives in schools and districts. Math Recovery® Specialist Course develops a foundation of specialization in Math Recovery® assessment and teaching which is a prerequisite for all other courses in the Leadership Series.

2018 Leadership Course Offerings

- Math Recovery® Specialist
- Math Recovery® Leader
- Add+VantageMR® Champion
- Add+VantageMR® Fractions Champion

For more information on specific courses such as training dates, meeting times, location, and registration deadlines, please visit the specific event link listed under each course on the reverse side.

REGISTRATION DEADLINE is 6 weeks prior to each course start date.

To register, please visit www.mathrecovery.org and select the events tab or contact info@mathrecovery.org.

The mission of the US Math Recovery Council® is
To **transform** numeracy education
To **connect** research with practice
To **empower** educators to advance student
mathematical thinking and success
...through Math Recovery® principles.

Math Recovery® Specialist

Part 1: Intervention and Specialization in Number Learning for the Primary Grades

Prerequisite: None

Math Recovery® Specialist: Part 1 is a year-long professional development course that builds a high level of expertise in Math Recovery® assessment, content, and pedagogy. Math Recovery® Specialist: Part 1 focuses on the teaching and learning of number concepts in the primary grades. As a part of the course, participants engage in working 1:1 and in small groups with students. The Math Recovery® Specialist is well prepared for providing targeted intervention with students and is a valuable resource for supporting school- or district-wide mathematics initiatives. Successful completion of the Math Recovery® Specialist certification qualifies participants for the Add+VantageMR® Champion course, which would allow them to lead and support Add+VantageMR® professional development for teachers in their school district.

Course participants receive assessment and teaching materials to support the implementation of Math Recovery® intervention.

Note: *Math Recovery® Specialist, Part 2: Focusing on Intervention and Specialization in Number Learning for the Middle Grades, will be available the Fall of 2019.*

Location & Start Date: Apple Valley, MN • 8/14/18

Details: www.mathrecovery.org/events/1481

Cost: \$6,000

Early Bird (paid before 6/29/18): \$5,500

For information on hosting an in-district course, please contact info@mathrecovery.org.

Math Recovery® Leader

Prerequisite: Math Recovery® Intervention Specialist certification (MRIS)

Math Recovery® Leader is a year-long professional development experience that develops a depth of knowledge necessary to facilitate and support the Math Recovery® Intervention Specialist course in district, provide MRIS coaching and ongoing support, and refine and extend knowledge of Math Recovery® content and pedagogy. This course develops local leadership for effective district implementation of Math Recovery® Intervention and supports all other Math Recovery® programs, including Add+VantageMR®. Participants of Math Recovery Leader® receive the resources needed to conduct Math Recovery® Intervention Specialist.

Location & Start Date: Apple Valley, MN • 5/14/18

Details: www.mathrecovery.org/events/1495

Cost: \$6,000

Add+VantageMR® Champion

Prerequisite: Math Recovery® Intervention Specialist certification (MRIS) and completion of Add+VantageMR® Course 1 and Add+VantageMR® Course 2.

Add+VantageMR® Champion is a year-long professional development experience focusing on the knowledge and skills required to facilitate in-district Add+VantageMR® Course 1 and Course 2. The Champion course develops local leadership for effective district implementation of Add+VantageMR® math programs. Five days of face-to-face learning are supported with an additional five virtual cohort meetings. Participants of Add+VantageMR® Champion receive the resources needed to conduct both Add+VantageMR® Course 1 and Course 2.

FIRST COHORT

Location & Start Date: Ludlow, MA • 6/5/18

Details: www.mathrecovery.org/events/1493

Cost: \$5000

SECOND COHORT

Location & Start Date: Apple Valley, MN • 6/18/18

Details: www.mathrecovery.org/events/1494

Cost: \$5000

Add+VantageMR® Fractions Champion

Prerequisite: Math Recovery® Leader or Add+VantageMR® Champion and completion of Add+VantageMR® Fractions.

Add+VantageMR® Fractions Champion is a six month-long professional development experience focusing on the knowledge and skills required to facilitate in-district Add+VantageMR® Fractions and support district implementation. Add+VantageMR® Fractions Champion incorporates support for participants to work as practitioners as they engage in working with students with the fractions content. Three days of face-to-face learning are supported with an additional six virtual cohort meetings. Participants of Add+VantageMR® Fractions Champion receive the resources needed to conduct Add+VantageMR® Fractions.

Location & Start Date: Apple Valley, MN • 11/26/18

Details: www.mathrecovery.org/events/1502

Cost: \$3000
